Here s a great little simple song. That being said, I hope I got a chorus right! Great Album... enjoy and make comments to email above.

C **G** **C**
What do you do with the sounds of time
 Am **C** **G**
When they carve out lines around your eyes
 Am **C** **F**
I can close my fist up good and tight
 G **C**
But I can t hold back the sands of time

C **G C**
What do you do with a memory
 Am **C** **G**
That just hangs around and stares at me
 Am **C** **F**
I can tear that frame down off the wall
 G **C**
But it won t erase the things I saw

CHORUS:

Am **G**
Night and Day
 Am
Night and Day
C **Am**
You Remain
G **F**
You Remain

What do you do with old regrets

There s a boxfull underneath the bed
Just close enough not to forget
But what do you do with old regrets

There s an old house key in the kitchen drawer
To a door I can not lock no more
Sometimes I hold that key real tight
But what do you do after goodbye
