

**I Am Me**

**Willow Smith**

[Chorus]

**G#m E B F#**  
Iâ€™m me, Iâ€™m me, and thatâ€™s all I can be  
**G#m E B F#**  
Iâ€™m me, Iâ€™m me, hereâ€™s my vulnerability  
**G#m E B F#**  
Iâ€™m free, and you canâ€™t stop me  
**G#m E B F#**  
Iâ€™m free, and thatâ€™s all I can be

**G#m E B F#**  
Days pass, Iâ€™m tryna find who I really am  
Iâ€™ve been looking  
**G#m E B F#**  
People donâ€™t like the way I dress, so where Iâ€™m at  
Iâ€™ve been looking  
**G#m E B F#**  
I dyed my hair and itâ€™s not just vanity  
Iâ€™ve been looking  
**G#m E B F#**  
Your validation its not just that important to me

[Chorus]

**G#m E B F#**  
Iâ€™m me, Iâ€™m me, and thatâ€™s all I can be  
**G#m E B F#**  
Iâ€™m me, Iâ€™m me, hereâ€™s my vulnerability  
**G#m E B F#**  
Iâ€™m free, and you canâ€™t stop me  
**G#m E B F#**  
Iâ€™m free, Iâ€™m me, and thatâ€™s all I can be

**G#m E B F#**  
Night falls and I find it here I am in peace  
Iâ€™ve been looking  
**G#m E B F#**  
Making friends with spirits lost and it sets me free  
Iâ€™ve been looking  
**G#m E B F#**  
Express myself cause its my liberty  
Iâ€™ve been looking  
**G#m E B F#**  
Your validation its not just that important to me

[Chorus]

**G#m E B F#**  
Iâ€™m me, Iâ€™m me, and thatâ€™s all I can be

**G#m E B F#**  
Iâ€™m me, Iâ€™m me, hereâ€™s my vulnerability

**G#m E B F#**  
Iâ€™m free, and you canâ€™t stop me

**G#m E B F#**  
Iâ€™m me, Iâ€™m free, and thatâ€™s all I can be

**G#m E**  
I am me, I am me, I am me

**B F#**  
I am free, I am free, I am free

**G#m E**  
I am me, I am me, I am me

**B F#**  
I am free, I am free [x2]

**G#m E B F#**  
Oooooooooohhhhh

**G#m E B F#**  
Create yourself, redo yourself, renew yourself

**G#m E B F#**  
Be you, do what you do,

**G#m E B F#**  
Hold your head up high, everythingâ€™s gonna be alright

**G#m E B F#**  
Youâ€™re you, Iâ€™m me, letâ€™s live in harmony

**G#m E B F#**  
Coexist with each other, love each other, be yourself

**G#m E B F#**  
You have to be yourself, be real, be honest

**G#m E B F#**  
Cause ainâ€™t nobody got time for that

**G#m E B F#**  
They really donâ€™t, so listen to me
