

Romance

Willow Smith

C G Cmaj7

[Verse 1]

Am F E

Romance doesn't exist

Am F E

It's a hoax to trick your mind into thinking perfection exists

Am F E

Or absence of suffering

Am F E

Stop leading girls to the clouds above

Am F E

It's so distracting

Am F E

We can focus on self-love

Am F E

[Verse 2]

Am F E

Morality doesn't exist

Am F E

It's a construct we breed into children who see

Am F

We create our paradigms

E

We create all our lives

Am F

Ancient biology

E

Evolving psychology

Am F E Am F E

Is all here in this moment

[Chorus]

Am F E

I want to know you like I know myself

Am F E

But it would be just as confusing and hell

Am F E Am F E

I'm imagining a different history

[Verse 3]

Am Cmaj E

Imagine us in a field

Am F E

Feasting on mountains that stretch very high

Am F E
With the sky is the color of bruises and cuts
Am F E
Oozing and bleeding all over the Sun

[Pre-Chorus]

Am Cmaj7 Fmaj7 Am Cmaj7 Am
Slowly, your hand caressing my thigh
Am Cmaj7 Fmaj7 Am Cmaj7 Am
Slowly, your eyes connecting with mine
Am Cmaj7 Fmaj7 Am Cmaj7 Fmaj7
Oooh ahhh ohhh
Am Cmaj7 Fmaj7
Lays me gingerly on my back
Am Cmaj7 Fmaj7
The foliage consumes me
Am Cmaj7 Fmaj7 Am Cmaj7 Fmaj7
I ll never make it back to this moment
Am Cmaj7 Fmaj7 Am Cmaj7 Fmaj7
To this moment, to this moment
Am Cmaj7 Fmaj7
To this moment

[Chorus]

Am F E
I want to know you like I know myself
Am F E
But it would be just as confusing and hell
Am F E Am F E
I m imagining a different history

[Outro]

Am C F
Where man and women stay equal
Am Cmaj7 Fmaj7
In the eyes of society
Am Cmaj7 Fmaj7
Where we don t condemn different people
Am Cmaj7 Fmaj7
For exercising their freedom
Am Cmaj7 Fmaj7
Where sex stays sacred
Am Cmaj7 Fmaj7
And an act of divine love
Am Cmaj7 Fmaj7
And not perverted into violence and lust
Am Cmaj7 Fmaj7
Where we still honor our mother
Am Cmaj7 Fmaj7
In all of her burgeoning light
Am Cmaj7 Fmaj7

Where we do not kill our brothers

Am Cmaj7

Or rape our sisters

Am Cmaj7 Fmaj7

Or enslave any life
