

Just To Walk That Little Girl Home
Willy DeVille

I haven't found many tabs from Mink DeVille which is a pity they're such a great band.

Here is my lame version of one. If anyone can tab it better - please do. I chose a key to suit myself - no idea about the original!

JUST TO WALK THAT LITTLE GIRL HOME - Mink DeVille

G **G**
It's closing time in this nowhere café
D **D**
There's no way in the world I'm gonna let that girl
G
Let her slip away
G **G**
But I can't explain just what's happening to me
D **D**
I can tell that guy who's sticking close by her side
G
Knows her more than just casually

G
But there's nothing that I wouldn't do
C
No there's nothing that I wouldn't do
D
No there's nothing that I wouldn't do
D **G**
Just to walk that little girl home

Just to walk that ... mmmmm
D **G**
Just to walk that little girl home

G **G**
Her flashing smile, her searching eyes
D **D**
Oh a promise it seems of having all of my dreams
G
Finally realised
G **G**
But I can't ignore, hey that guy by her side
D **D**
Now I know he can't see just what's happening to me
G
There's a look on his face he can't hide

G

But I m telling you there s nothing that I wouldn t do

C

No there s nothing that I wouldn t do

D

No there s nothing that I wouldn t do
