E **A** **E** **A**
Candle lit, and my eyes are slits, jumpin now, paper clip
E **A** **E** **A**
Make a move, sail a ship, tap it in, tap it in, ruby lips

A **E**
She s a mixed up, shook up girl,
B **E**
Got me so strung out I don t know what to do.
A **B** **E**
She s a mixed up, mixed up, shook up girl.

E **A**
Take a breath, in the night.
E **A**
Hurry over, she said, but there was no one in sight
E **A**
Now break away, is in her eyes.
E **A**
You know that little girl, she cut me deep, inside out.

A **E**
She s a mixed up, shook up girl,
B **E**
Got me so strung out I don t know what to do.
A **B** **E**
She s a mixed up, mixed up, shook up girl.

G **C**
Hey, you, I remember,
G **C**
All the empty streets, fill me now,
G **C**
And though you re gone away, I know not forever.
G **C**
Why don t you just come over here and tell me, baby, is it over now?

C **G**
She s a mixed up, shook up girl,
D **G**
Got me so strung out I don t know what to do.
C **D** **G**
She s a mixed up, mixed up, shook up girl. (repeat)

C **G** **C** **G**

She s a mixed up, shook up girl, she s a mixed up, shook up girl.
C G C G
She s a mixed up, shook up girl... She s a mixed up, shook up girl...
G G C G
And she got me so strung out... She s a mixed up, shook up girl...
