That World Outside - Mink DeVille

**A** **A**  
Just hold me close and see me through the night  
**D** **A**  
So when tomorrow comes I ll have the strength to fight,  
**E**  
The strength to fight,  
**A** **D**  
That world outside, mmm, that world outside  
**A** **A**  
Why can t two people alone find a place of their own  
**D** **A**  
So they don t give up in that world outside  
**D** **A**  
In that world outside, in that world outside.

**Dm** **A**  
You took all the broken pieces and made them whole  
**E** **A** **E**  
You touched my body, you warmed my soul, you warmed my soul  
**A** **A**  
Our kind of love just knows no wrong or right  
**D** **A**  
It s like a mighty fire but our flame can never light  
**E**  
Our flame can never light,  
**A** **D**  
That world outside, mmm, that world outside  
**A** **A**  
Why can t two people alone find a place of their own  
**D** **A**  
So they don t give up in that world outside  
**D** **A**  
In that world outside, in that world outside.
