

Sold My Soul Acoustic
Willy Mason

WILLY MASON " SOLD MY SOUL
Chords
Dm, A, G, (All barred)

This is an acoustic version which you can hear on KCRW radio. You only play the G during the intro and it is a very fast one strum after the A. The rest of the intro is Dm (barred on fret 5 in a Bm shape). Play all the chords in jumpy short of way so that you mute the strings, it is kind of bluesy.

The verses are all the same! Enjoy

Dm
Well, do you say
Nobody hears me when I pray.

A
And if you say **Dm**
I just don't care to live past what s today.
And if you say
Oh, brother
Last night I prayed.

A **Dm G Dm**
Your preacher isn't preaching at home.
