## Sold My Soul Acoustic Willy Mason

WILLY MASON â€" SOLD MY SOUL Chords

Dm, A, G, (All barred)

This is an acoustic version which you can hear on KCRW radio. You only play the

during the intro and it is a very fast one strum after the A. The rest of the intro

is Dm (barred on fret 5 in a Bm shape). Play all the chords in jumpy short of way

so that you mute the strings, it is kind of bluesy.

The verses are all the same! Enjoy
