

Talk Me Down
Willy Mason

Am **C**
When you talk me down,
Em **Fmaj7** **C**
I go down, I go down, I go down
G **C**
When you talk me down, I go down

Am **C**
When you lift me up,
Em **Fmaj7** **C**
I jump, I jump, I jump,
G **C**
When you lift me up, I jump

Am **C**
When the road goes on,
Em **Fmaj7** **C**
You sail, you sail, you sail
G **C**
When the road goes on, you sail

Am **C**
When it cracks and burns,
Em **Fmaj7** **C**
You bail, you bail, you bail,
G **C**
When it cracks and burns, you bail

C **Fmaj7**
But it s just a passing phase,
C **Am**
Oh my days, oh my days,
G **C**
My foundation s started to shake,
G **Fmaj7** **C**
Scared that it might break

C **Fmaj7**
How did I come this way,
C **Am**
Come this way, come this way
G **C**
But it s just another page,
G **Fmaj7** **C**
My book will have it s day
