

Talk Me Down  
Willy Mason

Am C  
When you talk me down,  
Em Fmaj7 C  
I go down, I go down, I go down  
G C  
When you talk me down, I go down

Am C  
When you lift me up,  
Em Fmaj7 C  
I jump, I jump, I jump,  
G C  
When you lift me up, I jump

Am C  
When the road goes on,  
Em Fmaj7 C  
You sail, you sail, you sail  
G C  
When the road goes on, you sail

Am C  
When it cracks and burns,  
Em Fmaj7 C  
You bail, you bail, you bail,  
G C  
When it cracks and burns, you bail

C Fmaj7  
But it s just a passing phase,  
C Am  
Oh my days, oh my days,  
G C  
My foundation s started to shake,  
G Fmaj7 C  
Scared that it might break

C Fmaj7  
How did I come this way,  
C Am  
Come this way, come this way  
G C  
But it s just another page,  
G Fmaj7 C  
My book will have it s day

Why can't I see when you're talking to me?

**Dm**

Why can't I see when you're talking to me?

**Dm**

Why can't I see when you're talking to me?

**Dm**

Why can't I see when you, see when you
