Willy Porter

Capo on 2

[Intro]

C#m A E E (x2)

[Verse 1]

C#m A E

I can see those visions dancing

C#m A E

Across the foot of my bed

C#m A E

Crumpled sheets, two tired bodies

C#m A E

Sins i commit now in my head

C#m A E

I have cursed your name a thousand times or more

C#m A E

Your photograph lies deep at the bottom of my drawer

C#m A

But when i looked at it this morning

E B

I had no angry words to say

Asus A

No angry words to say

[Verse 2]

C#m A E

The coffee maker that you gave me

C#m A E

Well, it finally broke down

C#m A E

It up and died this morning

C#m A E

With a groaning sound

C#m A E

All these ghosts I have driven out

C#m A E

Driven them from my house

C#m A E

It s a simple life I lead

B

Still got a lot to learn about

[Chorus]

A E

Yeah, but i m finally getting over

C#m B

Yes, i m finally getting over

A E

I m finally getting over

C#m B

The sad part of yesterday

Asus

No angry words to say

[Verse 3]

C#m A E

I learned a little bout forgiveness

C#m A E

A little bout sin

C#m A E

A little bout the soul of a man

C#m A E

Living within this skin

C#m A E

Ain t afraid of a new love that could be starting

C#m A E

I don t wear a face that says I m weary-broken-hearted

C#m A E

I don t need someone to smother

B A

With the love that you discarded

[Chorus]

A E

Cause i m finally getting over

C#m B

Yes, i m finally getting over

A E

I m finally getting over

C#m B

The sad part of yesterday

Asus A

No angry words to say
