

**Hold
Wilson Phillips**

Kinda surprised that this is the first wilson phillips song on this page.

-*note*- The site asked me to put a little something about the new artist to make sure they exist (Which was funny to me because this band is not new, but they are to this site), so for those who didn't know (which most people probably do) The members of Wilson Phillips are daughters of Beach Boy Brian Wilson and Mama's and the Papa's singers John and Michelle Phillips.
