

To Those Who Wait
Wimple Winch

Wimple Winch is a 60 s pop band from the UK. They were not incredibly popular, but they definitely existed. I stumbled upon this song while listening to Pandora. Neither the lyrics nor the chords can be found anywhere online, so I have transcribed them below. The band has no official page; this seems to be the closest thing: <http://www.pacificdrift.co.uk/index.shtml>.

D **E** **A**
The girl I love s as pretty as a flower,

E
and though I m not sure of all her ways,
D **E** **A**
I think I better let this little girl know
D
that you get nowhere by holding back,
E

D **E**
Come right out and give it now

A **C** **G** **A**

(Yeah)

Do it, if you re gonna do it.

Be sure your heart can go through it.

I can't hold out another minute longer.

Love me.

Oh baby, love me.

Show me, if you re gonna show it.

Show no mercy; make me know it.

My life won't be worth living until you

love me.

Baby, love me.

A **C** **G** **A**
Love don t come to those who wait.

(Listen baby)

I said, love don t come to those who wait.

- Riff -

The girl I love s as pretty as a picture,

and all I know is that I gotta be with her.

Oh, when she talks she makes me wanna sing.

That I need your love, so give it now.

Cuz love don t come to those who wait.

(Come on baby)

I said, love don't come to those who wait.

C **G**
(Listen girl)

A **C** **G** **A**
I said, love don t come to those who wait.

C **G**
(Yeah baby)

A **C** **G** **A**
I said, love it don t come to those who wait.
