

To Those Who Wait
Wimple Winch

Wimple Winch is a 60 s pop band from the UK. They were not incredibly popular, but they definitely existed. I stumbled upon this song while listening to Pandora. Neither the lyrics nor the chords can be found anywhere online, so I have transcribed them below. The band has no official page; this seems to be the closest thing: <http://www.pacificdrift.co.uk/index.shtml>.
