**To Those Who Wait**
**Wimple Winch**

Wimple Winch is a 60 s pop band from the UK.  They were not incredibly popular,
but they definitely existed.  I stumbled upon this song while listening to
Pandora.  Neither the lyrics nor the chords can be found anywhere online, so I
have transcribed them below.  The band has no official page; this seems to be
the
closest thing: http://www.pacificdrift.co.uk/index.shtml.

```
    E                   F#           B
The girl I love s as pretty as a flower,
     E                   F#           B
and I wanna be with her every single hour.
    F#                                F#7
Oh, when she talks she makes me wanna shout.
       E           F#             B
