(**A**, **C#m**, **F#m**, **D**, **E**) x1

VERSE

**A** **C#m**  
Blue skies fill my head as they pass by  
**F#m**  
Warm my face with its glow signs up from the trees  
**D** **E**  
I wake wearing sandals we ll light up some candles  
**A**  
It s alright hold back the lies  
**C#m**  
Cause were honest and were loving and well enjoy our life  
**F#m**  
The tendency to hold our hands around over seas  
**D** **E**  
Listen for a second it s the world at peace  
**A**  
I m singing  
**C#m**  
Let me tell you bout the story that you ll never know  
**F#m**  
When you think about the future it s your present told  
**D**  
This world is slowing and the people aren t moving so fast  
**E**  
Listen to the music loud bring the stereo back

(A, C#m, F#m, D, E) x3

CHORUS

C#m D A E  
Far away past where people stay  
C#m D A  
I can't live this way and spend all day  
E C#m D  
Waiting for something in me  
A E C#m  
To choose a feeling but I know  
D E  
I don't mind it when you sit next to me

(A, C#m, F#m, D, E) x1

VERSE

A C#m  
You're with the people who are more important  
F#m  
Than what you do it's a short list  
They won't remember your name  
D E  
I walk in dissolve it I don't bring my wallet  
A  
We forgive, but hold up the bridge  
C#m  
Cause I'm standing up for something or I'll fall like he did  
F#m  
The fragility of sanity will too often break  
D E A  
I'm just waiting for the world to wanna hear what I have to say  
C#m  
Let me tell you about the story that you'll never know  
F#m  
When you think about the future it's your present told  
D  
This world is slowing and the people aren't moving so fast  
E  
Listen to the music loud bring the stereo back

(A, C#m, F#m, D, E) x3

CHORUS

C#m D A E  
Far away past where people stay  
C#m D A  
I can't live this way and spend all day  
E C#m D

Waiting for something in me

**A**            **E**                            **C#m**

To choose a feeling but I know

**D**                            **E**    **A**
