

**Hold Me Down  
Windoview**

This band deserves way more attention.

Band website: <http://windoview.com/>

NOTE: Everything should be barred! The chorus is quick chord changes but barring it makes it so much easier!!!! EDITED 2/28/14

(Go into verse from here)

**E G#**  
Hold me down

**C#m A E G#**  
Sounds outside like someones finding what I ve found

**C#m A E G#**  
Still don t know how it is we feel the way were feeling now

**C#m A E**  
Like a crowd spreading far all over town

**G# C#m A E**  
There is a door inside your mind that I ve been dying to see out

CHORUS:

**E B C#m G# A G# A B**  
Will you come around here anymore

**E B C#m G# A G# A B**  
Will you come around here anymore

(I will say yes to all that I can do now)

**E B C#m G# A G# A B**  
Will you come around here anymore

**E B C#m G# A G# A B**  
Will you come around here anymore  
(I will say yes to all that I can do now)

Instrumental  
(**E, G#, C#m, A**) x2

VERSE

**E G#**  
Won t you try  
**C#m A E G#**  
To tell them you aint sorry because to memorize  
**C#m A E**  
Its best if you sigh when I sigh trust me you ll say  
**G# C#m A E**  
Take advice it s alright I know it ll all make sense sometime  
**G# C#m A E**  
There is a feeling from when something out of nothing takes the sky

(CHORUS)

INSTRUMENTAL (PLUCK)  
(**E, G#, C#m, A**)

BRIDGE (PLUCK)

**E G#**  
I am on the move  
**C#m**  
Looking out at you  
**A**  
Be home in a minute my eyes are looking dizzy  
**E**  
At least that s what the driver says  
**G#**  
The sidewalk don t feel right  
**C#m** (Strum from here)  
Information advertised  
**A**  
She walks home with me as I try not to sleep or fall down off the wayside  
**G# C#m**  
Take time to make new plans it s like  
**A E**  
I look up at the clouds who start to cry  
**G# C#m**  
With old thoughts now won t that day be nice  
**A E**  
When new sounds make background for new life

(CHORUS) END ON **E**
