Well I ve been working on becoming what I am

F E Am Am

In this bus-terminal bathroom

C E Am Am

And these days I dream like I live

F E Am Am

of trash! And scammed Grayhound passes

F F E Am

Why don t I take a shower you wonder

F F E...

I(?) guess what I can t smell, I JUST CAN T REMEMBER!!

Am

So I m doing my best to smell

E F

just like this basement forever

E Am

Forever

C E Am Am

Well isn t hitchiking dead they all ask

F E Am Am

Not as long as I m still broke and breathing

C E Am Am

And if they don t cut this thumb off my dead fist

F F E E

well then I m on this on ramp for eternity

F F E Am

There ain t nothing like singing your heart out to nobody

F F E E

as you fall asleep by the side of the road

Am E

you know I never felt quite as free

F

or quite as alone

E Am

or quite as alone
