With a little luck, we can help it out,
A/B                     E
we can make this whole damn thing work out.
E/G#                     A
With a little love, we can lay it down,
A/B                     C#m7
canâ€™t you feel the town exploding?

F#m                  C#7       F#m7           C#7
There is no end to what we can do together (together).
F#m                  C#7       F#m7           C#7
There is no end, there is no end.

The willow turns his back on inclement weather.
A/B                     E
And if he can do, we can do it, just me and you.

And a little luck we can clear it up,
we can bring it in for a landing.
With a little luck we can turn it on,
there can be no misunderstanding.

There is no end to what...

With a little push we could set it off,
we can send it rocketing skywards.
With a little love we could shake it up,
donâ€™t you feel the comet exploding?

(With a little luck, we can help...)
(With a little luck, with a little luck,...)
