And if he can do, we can do it, just me and you.

And a little luck we can clear it up,  
we can bring it in for a landing.  
With a little luck we can turn it on,  
there can be no misunderstanding.

There is no end to what...

With a little push we could set it off,  
we can send it rocketing skywards.  
With a little love we could shake it up,  
donâ€™t you feel the comet exploding?

(With a little luck, we can help...)  
(With a little luck, with a little luck,...)
