

F#maj7	C#	G#	F#maj7
And the saint in the tower	died for her sins	not ours	
Ah but this snow	just made us glow	in the dark	
F#maj7	C#	G#	F#maj7
And the boy in the cobble	to the whore	in the rubble	
F#maj7	C#	G#	
Ah but this snow	just made us glow	in the dark	
F#maj7	C#	G#	
Ah but this snow	just made us glow	in the dark	
F#maj7	C#	G#	
Ah but this snow	just made us glow	in the dark	
F#maj7	C#	G#	
Ah but this snow	just made us glow	in the dark
