Wintersleep

Beautiful song. The original is in Dm, but I usually play it in Em as the melody is very low, and the chords are easier a tone up. Enjoy!

Em
And even if the words don t sound right,
G D
I will love you till the day my heart dies,
Am
till the day my heart dies
C
till the day my heart dies

Em G
And even if this ain t the right light,
D
you re prettier than anything,
Am
you re prettier than anything that I d
C
prettier than anything that I d write
Am C
And I, I a-doo-doo-da-da

Em
There s something in the way our lips touch,
G D Am
there s something in the way we re stuck together
C
and they don t build love like that no more
Am C
Da-da-doo-doo-doo-da

Em
Doo-doo-doo-da
D
Doo-doo-doo-da
C
Doo-doo-doo-da 3x

Em
You said you d like it when the thunderstorms came,
G D Am
said you d like if the thunderstorm just
C

pulled you piece by piece away
