Listen Listen Listen Wintersleep

Beautiful song. The original is in Dm, but I usually play it in Em as the melody is very low, and the chords are easier a tone up. Enjoy!

G

\mathbf{Em}

And even if the words don t sound right, G D I will love you till the day my heart dies, Am till the day my heart dies C till the day my heart dies

Em

And even if this ain t the right light, D you re prettier than anything, Am you re prettier than anything that I d C prettier than anything that I d write Am C And I, I a-doo-doo-da-da

\mathbf{Em}

There s something in the way our lips touch, G D Am there s something in the way we re stuck together C and they don t build love like that no more Am C Da-da-doo-doo-da

Doo-doo-doo-da D Doo-doo-doo-da C Doo-doo-doo-da

Em

3x

\mathbf{Em}

You said you d like it when the thunderstorms came, G D Am said you d like if the thunderstorm just C pulled you piece by piece away
