

**Nothing Is Anything**  
**Wintersleep**

Capo 2nd Fret

first tab/chord chart so be nice :P

i love wintersleep there a great band and this is a pretty cool song from there new album Hello Hum

anywho: listen to the song for timings, its not all 100% lined up in the chart so just listen, but the chords are correct as per the live versions iv seen :) there were no tabs out there for this or there other most recent album so i thought id give it a go, feedback appreciated :) enjoy

Intro: **C, Dm, C, G, Dm C**

**C** **Dm** **G**  
if was easier to leave it alone

**Dm** **C**  
why did you come here?

**Dm** **C** **G**  
i took took my bike and put the lock on your door

**C**  
i wanna stay, if itâ€™s alright, then itâ€™s itâ€™s alright

**Dm** **C** **G**  
your forgot your love today

**Dm** **C**  
remember i would do anything

**Dm** **C** **G**  
no one could ever take your place

**Dm** **C**  
and i canâ€™t live my life without you babe

**C** **Dm** **G** (repeat for chorus)  
nothing is anything without you babe x 3  
nothing is anything without you

and same as above for the rest

maybe its easier to just go home  
why do you want this?

maybe tonight it isnâ€™t what you want

or how does it end if itâ€™s alright, then itâ€™s itâ€™s alright  
you fuck all your love away  
remember i would do anything

nothing to think or to do or say  
and i canâ€™t read your mind without you babe  
nothing is anything without you babe x3  
you know that id never doubt you babe  
nothing is anything without you babe  
and i canâ€™t live my life without you babe  
nothing is anything without you babe  
nothing is anything without you..

iâ€™m in fire, iâ€™m alright  
i might die, baby  
if itâ€™s alright  
itâ€™s alright  
iâ€™m alright  
iâ€™m alright
