

Saving Song
Wintersleep

Wintersleep
Saving song
Helloo Hum

Strum C through intro

C **Am**
I d like to sing a saving song
F **C**

But wisdom slashed me and thrashed and lashed me

F **Am**
And burned my eyes, all my disguises

F **C**
My alibis, my make-believe

F **Am**
My evil deeds, they course right through me
F **C**

They course right through me, they course right through me

C **Am**
A song of songs to right the wrongs
F **C**
But wisdom tied me and broke my body

F **Am**
And burned my eyes, all my disguises

F **C**
My alibis, my make-believe

F **Am**
My evil deeds, my memories

F **C**
They course right through me, they course right through me

F
Song to sing my life

Am **G** **F**
I won t hide away, i won t hide away my time

Am **G** **F**
Time will run away, i won t run, i m by your side

Am **G** **F**
Burn the night away, burn, the nights are burning bright
C

My saving eyes

(Strum **C**)

F **C**
Oh my darling, you never told me

F **Am**
If i come home bloody, if i come home bloody

F **C**
Will you still want me? Do you still want me?

Enjoy!
