

Ill Do You
Wire Train

First Tab/Chord submission. Loved this song as a kid.

Chords: **D**, **A**, **Bm**, **G** (repeat through whole song)

(**D**)
We could go
(**A**)
Out to the garden dear
(**Bm**)
And if we love
(**G**)
I'll be your little gentleman tonight
(**D**)
Magnetic eyes
(**A**)
Like cartridges without their shelves
(**Bm**)
Draw for me
(**G**)
Beside myself

(**D**)
Rails on rails
Walls on walls
(**A**)
Madness comes
Madness goes
(**Bm**)
I could make a horses head
(**G**)
on all your friends
(**D**)
Tracks on tracks
Rain on rain
(**A**)
Out of this mouth the words you say
(**Bm**)
I could waste your words and
(**G**)
turn and talk again

(**D**)
We could dance
(**A**)
Out in the darkness dear
(**Bm**)
And I know I
