

Ill Do You
Wire Train

First Tab/Chord submission. Loved this song as a kid.

Chords: **E**, **B**, **C#m**, **A** (repeat through whole song)

(**E**)
We could go
(**B**)
Out to the garden dear
(**C#m**)
And if we love
(**A**)
I`ll be your little gentleman tonight
(**E**)
Magnetic eyes
(**B**)
Like cartridges without their shelves
(**C#m**)
Draw for me
(**A**)
Beside myself

(**E**)
Rails on rails
Walls on walls
(**B**)
Madness comes
Madness goes
(**C#m**)
I could make a horses head
(**A**)
on all your friends
(**E**)
Tracks on tracks
Rain on rain
(**B**)
Out of this mouth the words you say
(**C#m**)
I could waste your words and
(**A**)
turn and talk again

(**E**)
We could dance
(**B**)
Out in the darkness dear
(**C#m**)
And I know I
