

Errors Of My Way
Wishbone Ash

verse 1

D C F C D
I didn t know what day it was that day,
D C F C D
Felt just like falling down on my knees to pray.
D C F C D
Looked at myself, and all that I could say
D C F C D
Was, I think I see the errors of my way .

verse 2

D C F C D
There in the glass there was something caught my eye,
D C F C D
Although I try through my sighing not to cry.
D C F C D
See where I am, and what I try to say,
D C F C D
Just so I ll look at the errors of my way.

D C F C D
Guess I got no one around to pull me through.
D C F C D
I just need someone to turn to, yes, I do.
D C F C D
Doin my best just to change my yesterday,
D C F C D
Then I won t have no more errors of my way.
