

Everybody Needs A Friend
Wishbone Ash

A **Asus4** **A** **Asus2**
Trust in me, I ll try to do
A **Asus4** **Em**
Everything to help you that I can
Bm **E**
Broken wings can heal and mend again
F#m **D**
Don t be afraid to cry your tears out loud
Bm **E**
Everybody needs to have a friend

A **Asus4** **A** **Asus2**
It s only love that I can give
A **Asus4** **Em**
I give to you the only love I have
Bm **E**
When I see you re in misery
F#m **D**
It makes me wanna try and understand
Bm **E**
Everybody needs a helping hand

A **Asus4** **A** **Asus2**
It s only love that I can give
A **Asus4** **Em**
I give to you the only love I have
Bm **E**
When I see you so unhappy
F#m **D**
It makes me wanna try and understand
Bm **E**
Everybody needs a helping hand

A **Asus4** **A** **Asus2**
If everything should turn around
A **Asus4** **Em**
It s me who feels so down and out
Bm **E**
You could be the kind of company
F#m **D**
To share a load and know how bad it feels
Bm **E**
Everybody needs to have a friend
