

Everybody Needs A Friend  
Wishbone Ash

B                      Bsus4                      B                      Bsus2

Trust in me, I ll try to do

B                      Bsus4                      F#m

Everything to help you that I can

C#m                      F#

Broken wings can heal and mend again

G#m                      E

Don t be afraid to cry your tears out loud

C#m                      F#

Everybody needs to have a friend

[illegible]

**B**                      **Bsus4**                      **B**                      **Bsus2**  
 It s only love that I can give  
**B**    **Bsus4**    **F#m**  
 I give to you the only love I have  
**C#m**    **F#**  
 When I see you so unhappy  
          **G#m**    **E**  
 It makes me wanna try and understand  
**C#m**    **F#**  
 Everybody needs a helping hand

B Bsus4 B Bsus2  
If everything should turn around  
B Bsus4 F#m  
It s me who feels so down and out  
C#m F#  
You could be the kind of company  
G#m E  
To share a load and know how bad it feels  
C#m F#  
Everybody needs to have a friend
