[Verse 1]

**G\***

I missed your call again

It really made me feel like shit

**Cadd9\***

You say there's reasons for believing this is worth the risk

**G\***

You keep complaining that I'm never checking up on you

**Cadd9\***

Like squares to circles I am certain we can't make it through

[Pre-Chorus]

**Cadd9 G**

I want to breathe

**Dsus4/F# Em7**

You want to bleed

**Cadd9 G Dsus4/F#**

I want to love you

[Chorus]

**Cadd9 G Dsus4 Em7**

And I wish I could be everything you're needing

**Cadd9 G Dsus4/F# Em7**

I wish I could find all the things you're seeking

**Cadd9 G Dsus4/F# Em7**

I wish I could say what you need to hear but

**Cadd9 G Dsus4/F#**

I'll never be, never see, everything you're needing

[Verse 2]

**G\***

Your future s brighter than the light you cast on all you do

**Cadd9\***

Have you thought of me the same way that I ve thought of you?

**G\***

I want to say that I will stay and not be all alone

**Cadd9\***

I m scared I ll muddy all your colours if you get too close

[Pre-Chorus]

**Cadd9 G**

I want to breathe

**Dsus4/F# Em7**

You want to bleed

**Cadd9 G Dsus4/F#**

I want to love you

[Chorus]

**Cadd9 G Dsus4 Em7**

And I wish I could be everything you re needing

**Cadd9 G Dsus4/F# Em7**

I wish I could find all the things you re seeking

**Cadd9 G Dsus4/F# Em7**

I wish I could say what you need to hear but

**Cadd9 G Dsus4/F#**

I ll never be, never see, everything you re needing

[Bridge]

**G Dsus4/F# Em7 Cadd9**

Is this what you needed?

What you needed?

**G Dsus4/F# Em7 Cadd9**

Is this what you needed?

[Chorus]

**Cadd9 G Dsus4 Em7**

And I wish I could be everything you re needing

**Cadd9 G Dsus4/F# Em7**

I wish I could find all the things you re seeking

**Cadd9 G Dsus4/F# Em7**

I wish I could say what you need to hear but

**Cadd9 G Dsus4/F#**

I ll never be, never see, everything you re needing

**Cadd9 G Dsus4 Em7**

And I wish I could be everything you re needing

**Cadd9 G Dsus4/F# Em7**

I wish I could find all the things you re seeking

**Cadd9 G Dsus4/F# Em7**

I wish I could say what you need to hear but

**Cadd9            G            Dsus4/F#**

I ll never be, never see, everything you re needing

Everything you re needing

[Outro]

Is this what you needed?
