

**Dont Catch A Brick
With the Punches**

Artist: With The Punches
Song: Don t Catch Our Brick
Email: josh.defibaugh@gmail.com

Stuff: This is a pretty KA song with good lyrics and guitars. These are the chords that are used. The timing may not be perfect, though.

Intro: **D G A D G F#m Em F#m D G A D G F#m Em F#m**

D **G** **A**
This girl just turned another bottle upside down
D **G** **F#m** **Em** **F#m**
She ll point a finger at her father who was never around
D **G**
Replaced her heart and passion
A
Now she s all nicotine and fashion
D
We hate to admit, looks like the old you is gone

Chorus Riff: x4

D|-99-5-7--0-|

(Hey) We re scared you ll die all alone
Your friends you ve disowned
Just want you to know that we don t believe you
You can t be happier with him (let s go)

Interlude: **D G A D G F#m Em F#m**

D **G** **A** **D** **G** **F#m** **Em**
Now it seems the worst part is all the wasted potential we see in you
D **G** **A**
The way stage dives and sing alongs molded the mind you call your own
But we guess you d rather sink than swim

Chorus Riff x4.

D
I know it s coming out wrong but just remember that
This is the only way (that I can honestly) (x2)

Please come back home

We ll burn these city lights as bright as they can go

In the hopes that you that you will return

Just please come back home

You ll be met with open arms

Chorus Riff x4

D **G** **A**

Please come back home

D **G** **F#m** **Em**

We ll burn these city lights as bright as they can go

D **G** **A**

In the hopes that you that you will return

I m not entirely sure of the timing and lyric match up with the chords but those

are pretty much it. Email me for questions.
