

## Angels

### Within Temptation

Sparkling angel I believed  
You were my saviour in my time of need.  
Blinded by faith I couldn't hear  
All the whispers, the warnings so clear.  
I see the angels,  
I'll lead them to your door.  
There's no escape now,  
No mercy no more.  
No remorse cause I still remember  
Eb (p.m.)  
The smile when you tore me apart.

Chorus:

**Gm**                    **Eb**  
You took my heart,  
F (1ª casa)                    D  
Deceived me right from the start.  
**Eb**                                    **C**  
You showed me dreams,  
**D**  
I wished they turn into real.  
**Gm**            **D#**                    F (1ª casa) **D**            **D#**  
You broke a promise and made me realize.  
**C**                                    **D**  
It was all just a lie.

**Gm**                    **D#**                    F (8ª casa)  
Sparkling angel, I couldn't see  
**C**                                    **Eb**            **D**  
Your dark intentions, your feelings for me.  
**Gm**                    **D#**                    F (8ª casa)  
Fallen angel, tell me why?  
**C**                                    **D**  
What is the reason, the thorn in your eye?  
**C**                                    **Bb**  
I see the angels,  
F (1ª casa)                    **Eb**  
I'll lead them to your door  
**Eb**                                    **D**  
There's no escape now

obs.: Por que Eb na sexta casa e não D#?

Porque é mais interessante que se altere a afinação de sua guitarra no

mínimo 1/2 da padrão,

e o Eb seria tocar as cordas D, A, E soltas e abafadas (palm mute - p.m.).

Como os fãs da banda devem ter conhecimento, o cd The Silent Force foi inteiro gravado com 2 guitarras

de 7 cordas, essa minha transcrição foi com a intenção de facilitar a vida de quem gosta de

Within Temptation e não gosta de ficar trocando de afinação na guitarra.

Uma dica para o som ficar mais próximo ao da música é tocar todos os acordes que formam bicorde

com a corda A, pegando a corda E também (ex.: acordes Bb, C, D, D#, Eb e F - na 8ª casa).
