

Ice Queen
Within Temptation

Am F C G Am

When leaves have fallen
And skies turned to grey.
The night keeps on closing in on the day
A nightingale sings his song of farewell
You better hide from her freezing hell

Am F C

On cold wings she s coming
You better keep moving
For warmth, you ll be longing
Come on just feel it
Don t you see it?
You better believe.

Am F C G Am

When she embraces
And your heart turns to stone
She comes at night when you re all alone
And when she whispers
Your blood shall run cold
You better hide before she finds you

F Am C G F C G Am G

Whenever she is raging
She takes all life away
Haven t you seen?
Haven t you seen?
The ruins of our world.

F Am C G F C G Am G

Whenever she is raging
She takes all life away
Haven t you seen?
Haven t you seen?
The ruins of our whole world?

She covers the earth with a breathtaking cold
The sun awakes and melts it away
The world now opens its eyes and sees

The dawning of a new day

Come on just feel it
