

Our Solemn Hour
Within Temptation

Am F G
Sanctus Espiritus redeem us from our solemn hour
Am F G
Sanctus Espiritus insanity is all around us
Am F G
Sanctus Espiritus!
Am F G
Sanctus Espiritus!
Am F G Dm G Em Am
Sanctus Espiritus!

Am Em
In my darkest hours I could not foresee
Dm G
That the tide could turn so fast to this degree
Am
Can't believe my eyes
Em
How can you be so blind?
Dm G
Is the heart of stone, no empathy inside?
Dm Em
Time keeps on slipping away and we haven't learned
Dm Em
So in the end now what have we gained?

Am F G
Sanctus Espiritus, redeem us from our solemn hour
Am F G
Sanctus Espiritus, insanity is all around us
Am F G
Sanctus Espiritus, is this what we deserve,
Dm G Am
can we break free from chains of never-ending agony?

Am Em
Are they themselves to blame, the misery, the pain?
Dm G
Didn't we let go, allowed it, let it grow?
Am Em
If we can't restrain the beast which dwells inside
Dm G
it will find it's way somehow, somewhere in time
Dm Em
Will we remember all of the suffering
Dm Em

Cause if we fail it will be in vain
