Within Temptation
Overcome
Capo 2
Am
  Where are the heroes
Am
  In my time of need
                Вb
   Is my crying abandoned?
          F
   Or have they gone
      E
   Oh no
They just tend to stand
Out of the rain
Thinking but not acting
That they re not to blame
  Falling and crawling
Am
  A fight to stand up
   Memory still haunts me
   In the dead of night
F
  Over and over
Am
   I felt so small
   But one day I ll be stronger
   And you better watch out
Am
   I will overcome
   In violence there s silence
   Oh no,
   It can t be undone

It s the only way to carry on

Throwing stones
Straight at the one
Who is standing alone?

Twisting and turning
It s always the same
The truth is never honest
When you re to blame

Pushing and pulling
Never give in
One day I wish
You see you re not so beautiful within
