[Intro/Verse 1]
```
                    A                           D
last night i let the party get the best of me
                   A                        E
wakin  up in the morning, two hoes layin  next to me
                 A             D
plus i heard an officer arrested me
                    A                           E
good weed and cold drinks, that s the motherfuckin  recipe
           A              D
nigga and we roll deep, so deep
                  A             E
it s goin  down in this bitch; concrete
             A          D
we gon  party all night; no sleep
                   A          E
tell the owner them is all my gang, so tonight
```

[Pre-Chorus]
```
             A                   D
everything is on me, the drinks is on me
             A                       E
the bitches, the hotel, the weed is all free
                 A                       D
get high, i mean so high we gon  see the whole suite
            A                             E          A
then fly to a level where you gon  need your own key, t.g.o.d.
```

[Chorus]
```
(A)             D
```

```
     no drivin , no sleepin
A                  E
   live it up like it s the weekend
A            D
   when the dj play the right song
A                    E
   gonna drink, gonna party all night long
A           D
   no drivin , no sleepin
A                  E
   live it up like it s the weekend
A           D
   when the dj play the right song
A                    E
   gonna drink, gonna party all night long

[Verse 2]
(A)
leavin  from the club now she wanna stay with us
A                        D
   came to spend it all, don t care what i m payin  for
A                        E
   used to be too young, now i m out here buyin  the bar
A                        D
   every time i look up, it s another red cup
A                          E
   bunch of niggas in the game but they ain t playin  with us
A                          D
   they just payin  enough, man them niggas ain t
 A                                E
ballin , they just layin  it up, sayin  they does, i m just
A                          D
rollin  hella weed up while on my way to the club
        A
i had to wait at the club, but now i don t cause

[Pre-Chorus]
                      A                    D
everything is on me, the drinks is on me
                        A                    E
the bitches, the hotel, the weed is all free
                        A                    D
get high, i mean so high we see the whole street
                    A                    E          A
we fly, i mean so fly we need a whole wing, t.g.o.d.

[Chorus]
(A)            D
   no drivin , no sleepin
A                  E
   live it up like it s the weekend
A            D
   when the dj play the right song
```

```
A                        E
   gonna drink, gonna party all night long
A          D
   no drivin , no sleepin
A                  E
   live it up like it s the weekend
A            D
   when the dj play the right song
A                     E
   gonna drink, gonna party all night long

[Bridge]
(A)               (D)
   party all day, party all night
(A)                        (E)
   say you wanna party, let s party alright, i
(A)               (D)
   party all day, party all night
(A)                          (E)
   say you wanna party, let s party alright, i
A                D
   party all day, party all night
A                     E
say you wanna party, let s party alright, i
A                D
   party all day, party all night
A                       E
say you wanna party, let s party alright, i

[Chorus]
A            D
   no drivin , no sleepin
A                E
   live it up like it s the weekend
A          D
   when the dj play the right song
A                  E
   gonna drink, gonna party all night long
A          D
   no drivin , no sleepin
A                E
   live it up like it s the weekend
A          D
   when the dj play the right song
A                  E
   gonna drink, gonna party all night long

[Outro]
(A)                (D)
   party all day, party all night
(A)                          (E)
   say you wanna party, let s party alright, i...
