[Verse 2]

Hella hoes in my car, they wanna feel that maximum speed

Never had an absence of weed

Tired of being at the bar, everything Louie V,

Plus the most exclusive treat in my jar

Making my bank, spending it all

and that expensive shit you paid for, she had it on

She taking it off, most of these niggas just talk and taking it off

Back in the day money was short, I m making it taller

you know what I mean, some say it s a problem

Blowings my greens, not saving my collards

No NBA, they say I m a baller

Live for today, it s not like my father

[Chorus]

I m gonna spend it all why wait for another day

I ma take all this money I own and blow it all away

Cause I can t take it when I m gone, gone, gone, gone

No I can t take it when I m gone, gone, gone

I m gonna spend it all why wait for another day

I ma take all this money I own and blow it all away

Cause I can t take it when I m gone, gone, gone, gone

No I can t take it when I m gone, gone, gone, gone, gone.
