WIZO - Do You Remember Me ?

Verse: in **C/F/C/F**

D G
Hello, do you remember me?
D G D G A
I m a song that you maybe already heard from anybody else
D G D G
They took some other melody but it s still what it used to be
D G A D
Those same old boring three chords and a stupid melody

Hm G A D
There comes a middle part, this part will break my heart
Hm G
Cause I know that it used to be
A
Played so much better than they play it right now
B
Played so much better than they play it right now

Dis Gis
Hello, do you remember me?
Dis Gis Dis Gis Ais
I m a song that used to be already played by anybody else
Dis Dis Dis Gis
They changed some of the melody, but it s still what it s always been
Dis Gis Ais Dis
The same old boring three chords and a stupid melody

cm Gis Ais Dis
There comes a middle part, this part will break my heart
Cm Gis
Cause I know that it used to be
Ais
Played so much better than they play it right now 2x
H
Played so much better than they play it right now

E A
Hello, do you remember me?
E A E A H
I m a song you definitely already heard a hundred times before
E A E A
They stole some other melody but it s still what it used to be
E A H E

The same old boring three chords and a stupid melody

cism **A** **H** **E**
There comes a middle part, (again) this time it makes me fart

cism **A**
Cause I know that another band would

H
Play it so much better than we play it right now 2x

F Ais
Hello, do you remember me?

F Ais **F** Ais **C**
I m a song you definitely already heard a hundred times before

F Ais **F** Ais
They stole some other melody but it s still what it used to be

F Ais **C** **F**
The same old boring three chords and a stupid melody

C **F**
A stupid melody ...
