Fame Over Demise Woe, Is Me

Capo 3.

[Intro]

EmBmAmBmYour true colours are starting to get loud,EmBmAmG

Have fun, praying to your Grey god now

[Verse 1]

Em

All that you taught me to be

 \mathbf{Bm}

was a moper, a dreamer that only refused to dream

Am Bm

Oh save it please, my voice is peaking through your speakers and Im speaking just to show you the way

Em Bm Am Em

How could you, shelter me out? Im much older now

Bm Am (one strum)

You shatter like a beaker, when I only want to show you the way

Em

I ll build my way out of your demise,

 $\mathbf{B}\mathbf{n}$

[Chorus]

Bm Em Bm

Your true colours are starting to get loud,

Em Bm G

Have fun, praying to your grey god now

[Verse 2]

Em

This war dont determine whose right,

Bm Em

this war just determines whose left standing tonight

Stop handing me lights,

Bm

I can see what you are in the dark just fine \mathbf{Em}

Im not blind, Im bending the blinds

Bm Em

peaking through to get a glimpse of your anguishing life

Youre hiding like a vampire, here comes the strife

This wont hurt me cause I get a thrill...

[Outro]

Em Bm Am Bm

Your true colours are starting to get loud,

 ${\bf Em} \qquad \qquad {\bf Bm} \qquad \qquad {\bf Am} \qquad {\bf G}$

Have fun, praying to your grey god now
