

Back To Back
Wolf Gang

I asked Max McElligott for the chords but he told me that he d play by ear so I tried to figure them out. They might be incorrectly but that s the way I play this perfect song. Enjoy

CAPO 3

D G Cadd9 G
When whole world is sleeping
D G Cadd9 G
I still lie up in my bed
D G Cadd9 G
As I came round to thinking
D G Cadd9 G
That I don t want nobody else

I want to be with you
D G Cadd9 G
And it kills me to say
D G Cadd9 G
That I want to be with you
D G C
That is just the way, it s just the way now

C EM C G
Sleeping with my back to yours
C EM C
Back to back, back to back we re stronger
C EM

D G Cadd9 G
When the whole world is thinking
D G Cadd9 G
That I must be depressed
