Wolfmother**

D Dm
Well we always seem to worry,
D Dm
Life s becoming such a flurry,
D Dm
Can t you see that theres lights in the dark,
G C A D
Nothin s quite what it seems in the city of dreams,

D Dm
Rainbows tinted with gold,
D Dm
All the stories we ve been told,
D Dm
Still her love is yours to behold,
G C A D F* G* *(look below)
Nothin s quite what it seems in the city of dreams,

D Fsus2 Gsus2
You say it s not the real world,
D Fsus2 Gsus2
Though it seems so real to me,
D Fsus2 Gsus2
And i know that we re never turning back,
D Fsus2 Gsus2
Can you see what i see,

D C
I had a vision,
A G
Of festive day s,
D C
She s like an eagle,
A G
In the misted haze,

D Dm
Sit and wonder at the sky,
D Dm
Watch the river flowing by,
D Dm
Now it ends and we re here at the start,
