B Bbm

```
Hold me like diamonds Treat me like a star
                                         Ebm
Love me babe love me babe wherever you are
Stop listening to your friends
They just want your man
Misery loves a little company
Don t feed into them lies
Bbm
Want you by my side
                      Ebm
Why is it so hard to trust me?
Let go of your fears girl
Bbm
Promise I ll be here girl
F#
                        Ebm
I won t let your heart skip a beat
                         Bbm
I ll take care of you if you take care of me girl
Won t ever leave you lonely
Love me like money Love me like cars
             F#
Love me babe love me babe wherever you are
             В
Love me up close Love me from afar
                                         Ebm
Love me babe love me babe wherever you are
                                 Bbm
              B
Love me like money Love me like cars
                      F#
                                          Ebm
Love me babe love me babe wherever you are
Hold me like diamonds Treat me like a star
                      F#
                                         Ebm
Love me babe love me babe wherever you are
Look boy I ve been through some things
Seen a little sunshine, seen a little rain
My heart s been through some pain
And I don t wanna go back through it again
```
