

Touch The Sky
Wonderwall

C Wonderwall

W&M: Wonderwall

Album: Lauras Stern OST, Single: Touch The Sky

C **G**
Wheres the smile gone?

Dm **F**
That made me smiling too.

C **G**
Wheres the time gone?

Amsus9 **F** **Am**
That showed me that You love me too.

C **G**
Wheres the sun gone?

Dm **F**
Bringing light into my day and

F **C/E**
Showing me moments,

Dm **G**
Of a new way life can be.

Chorus

C **G**
Come on girl just try

Am **F**
You can touch the sky

C **G**
You can learn to fly

Am **F**
And the stars will be your guide

C **G**
Close your eyes and try

Am **F**
You can touch the sky

C **G**
Even miles away youâ€™ll see

F **G** **C**
Together you and me.

2.

If we believe it
Theres a way to do it right.

So call out my name and
Every time
Ill be by your side.
Theres a new morning
Bringing light in to your day and
Showing you moments
Of a new way life can be.

Chorus

Bridge

C **F**
Everytime
C/E **Dm**
When I see you shine
Am **C/D**
I know you and me
F **G**
We are together

C **F**
Everytime,
C/E **Dm**
When I see you smile
Am **C/D**
Even if youre far away
F **G**
We wont be parted (Wont be parted)

Chorus

End
F **G** **C**
Together you and me

ist the first time for me, try it and write me it would be something better!
