Checkpoint Charlie

VERSE 1

Bb Eb Bb Gm
I had a dream I was in New Orleans
F Eb Bb
Maybe it was heaven
Bb Eb Bb Gm
All I know I wasn't lonesome anymore
F Eb Bb
And the saints were marching in

VERSE 2

Then I met a man chiseled from stone
Shared my table at the square
Maybe it was Jesus, maybe Iggy Pop
We smoked my last cigarette

CHORUS 1

Bb Eb Bb Gm
What does it matter heaven or the latter
F Eb Bb
"I'll pay the tab," said the Nazarene
Bb Eb Bb Gm
We can take all you've got good times or not
F Eb Bb
With Iggy and Jesus in New Orleans

VERSE 3

It was daybreak way out on the levee
Iggy is playing washtub in three-quarter time
Down by the river I heard some clawhammer banjo
Me and Jesus went fishing

CHORUS 2

What does it matter the Bayou or El Paso
"I'll pay the tab," said the Nazarene
High as a fruit bat in Napa Valley
With Iggy and Jesus in New Orleans

VERSE 4

Was it purgatory, was it Checkpoint Charlie's
I decided I was staying forever

That ol morning sun maybe it was voodoo
I woke up to the whistling southbound train
