Days Of Grunge

VERSE 1

E
We were you in the days of grunge when the music came from pain
A **C** **B7** **E**
We smoked cigarettes at lunch and dressed like Kurt Cobain
E
Manic depression was in style and so was heroin
A **C** **B7** **E**
My friends and me we had apathy in the good old days of grunge

E **G** **E** **G**

VERSE 2

Davy Brown was a drunken clown who reeked of peppermint schnapps
After class he could be found perusing the pawn shops
He amassed a wide array of bands on cassettes and LPs
Eight track tapes worn out of shape fifty cents a piece

CHORUS

A **E**
Young dumb and full of fun
C **B7**
We starved ourselves and stayed out of the sun
A **E**
Our heroes were on heroin
C **B7** **E**
In the good old days of grunge

VERSE 3

Tim McCoy was a rich boy whose parents had split up
Recently moved to Illinois with his mom in the country club
He wore bright new tennis shoes but we didn't envy him at all
Sure his guitars were better than ours but his flannels came from the mall

VERSE 4

Tina Rash is pure white trash boyfriend's name was Sam
He dropped out two years before and he drove a black Trans-Am
His long hair half covered up a faded Anthrax shirt
He kept it short in the front before mullet was even a word

BRIDGE

C **E**

Students of drama smoked marijuana before putting the plays on

C

D

We didn't do "Our Town" or "Oklahoma" instead "Tommy" and "Miss Saigon".

C

G

We had a cool instructor we all wanted to fuck her but then she had to leave

C

A

B7

She got caught smoking pot with us at a cast party

VERSE 5

Then I guess we got depressed in April of '94

Some heroes fall some heroes die some ain't heroes no more

Now when I think about my friends I don't know whose dead or alive

Cause I never saw no one at all since May of '95
