Drunk and Insane (I Die Tonight)

Dm C Dm

VERSE 1

Dm

Drunk and insane I was driving in vain

To some nowhere that seemed to be near

Dm

Ashamed of my past I stomped on the gas

F (

And swallowed a swig of my beer

Dm

No cars in sight on this black dreary night

F C

I accepted my darkest of shames

Dm

To end my existence on this path was fittest

C Dm

To crash and to burn into flames

VERSE 2

Go into the mystic another statistic

Impaired or asleep at the wheel

For sure it was vital to mask suicidal

The truth never to be revealed

The tears of my family and all of their scrambling

To hide such a delicate truth

He dodged for a deer or just had to much beer

Never meaning to snuff out his youth

INSTRUMENTAL

Bb F C G
Bb F C A7

VERSE 3

I corrected a swerve as I rounded a curve
Near a thicket of pines on the side
Let go of control as the vehicle rolled
On the gravel and into a slide
A barbed wire fence had no good intents
To help save this poor wretched life
When I splintered that tree I had to believe

CHORUS

Bb

I die tonight

F

I die tonight

C

I die tonight

G

I die tonight

Bb

I die tonight

F

I die tonight

С

I die tonight

Α7

I die tonight

Α7

I die tonight

VERSE 4

The steering wheel pressed itself to my chest My head smacked hard at the glass
The smell of the sap was well overlapped
With the beer and the blood and the gas
Awake for a second enough that I reckoned
That this plan was incredibly flawed
The pain was intense I was wholly convinced
I was almost dead like it or not

VERSE 5

And like it I didn t for if just that minute
I d have again to replace
I d make it all different and not be so ignorant
To the grave consequences I faced
But I faced them alone as the meat on my bones
Poured out all the life they had left
It filled up the ashtrays I slumped over sideways
And gasped my last booze laden breath
