Drunk And Insane I Die Tonight Woodbox Gang Band: Woodbox Gang Album: White Trash Voodoo Drunk and Insane (I Die Tonight) Cm Bb Cm VERSE 1 Cm Drunk and insane I was driving in vain Bb Cm To some nowhere that seemed to be near Cm Ashamed of my past I stomped on the gas Eb Bb And swallowed a swig of my beer Cm No cars in sight on this black dreary night $\mathbf{E}\mathbf{b}$ вb I accepted my darkest of shames Cm To end my existence on this path was fittest вb Cm To crash and to burn into flames VERSE 2 Go into the mystic another statistic Impaired or asleep at the wheel For sure it was vital to mask suicidal The truth never to be revealed The tears of my family and all of their scrambling To hide such a delicate truth He dodged for a deer or just had to much beer Never meaning to snuff out his youth INSTRUMENTAL Eb G# вb F Eb вb G7 G# VERSE 3 I corrected a swerve as I rounded a curve Near a thicket of pines on the side Let go of control as the vehicle rolled On the gravel and into a slide A barbed wire fence had no good intents

To help save this poor wretched life When I splintered that tree I had to believe I was still doing near sixty-five

VERSE 4

The steering wheel pressed itself to my chest My head smacked hard at the glass The smell of the sap was well overlapped With the beer and the blood and the gas Awake for a second enough that I reckoned That this plan was incredibly flawed The pain was intense I was wholly convinced I was almost dead like it or not

VERSE 5

And like it I didn t for if just that minute I d have again to replace I d make it all different and not be so ignorant To the grave consequences I faced But I faced them alone as the meat on my bones Poured out all the life they had left It filled up the ashtrays I slumped over sideways And gasped my last booze laden breath
