Everybody But Me

VERSE 1

E **A** **G#m**
I broke every mirror in the house
C#m **G#** **A**
Those that wouldn't break I just threw out
 E **B** **E** **A**
She said "What is all of this breaking about?"
 E **B** **E**
I said "Everybody's crazy but me!"

VERSE 2

I bite my tongue and grind my teeth
She's chowing down on processed cheese and meat
I said "Baby don't you know that you are what you eat?"
I see everybody's starving but me

VERSE 3

She said "Get a job that'll pay the rent
You're baby's almost due, we're almost in a tent!"
What's it matter what your house is when you're living in sin
I see everybody's hopeless but me

BRIDGE

A **C#m**
Everybody's got souvenirs for their misery
 B **A** **G#**
I got no scars or prescription drugs I just got jealousy

VERSE 4

My barrel is in a waterfall that starts in outer space
Fed by the tears human beings waste
And my boots are as dry as the tears on my face
I see everybody's drowning but me
