When your whole world dies

Hard to chisel names
On a rotten fence rail
Hard to chisel names
With a bent and rusty nail
Mother is covered
And buried in the dirt
Daughter I've got her
Buried in my heart

Carve out a life

By earth and blood and bone

Bb

Everything you love

F

C

Leaves you all alone

VERSE 3

Easy to dream

When all I see is them

Easy to dream

And not wake up again

In the blind of my mind

I see them everywhere

In the hole of my soul

I know they are nowhere
